

DB METAL

ABOUT US

DB metal adopts modern supply industrial understanding whereupon it started production after complete its people – machine development.

Besides the goal of high quality – in time delivery – zero defect like all other corporations ; commitment to their customer and the main goal of DB Metal is being solution partner and to make contribution to their development.

DB Metal produces metal parts and performs in the metal plate forming and welding areas with its experienced staff.

MISSION

Keeping pace with innovative technology and competitive conditions , consistently adding new values to its experience till 2000 , adopting quality as philosophy of life with its staff. DB Metal is on its way to be a reliable company in sector.

VISION

Being sought after company in the sector with its reliability and high quality production in the international area.

SHEET METAL FORMING

SHEET METAL FORMING

DB Metal is serving for sheet metal forming with its new technology and capacity range from 10ton to 2000ton press machine pool. Moreover DB Metal can assemble your parts with clinch and spot welding machines.

SOME METAL SHEET FORMING SAMPLES

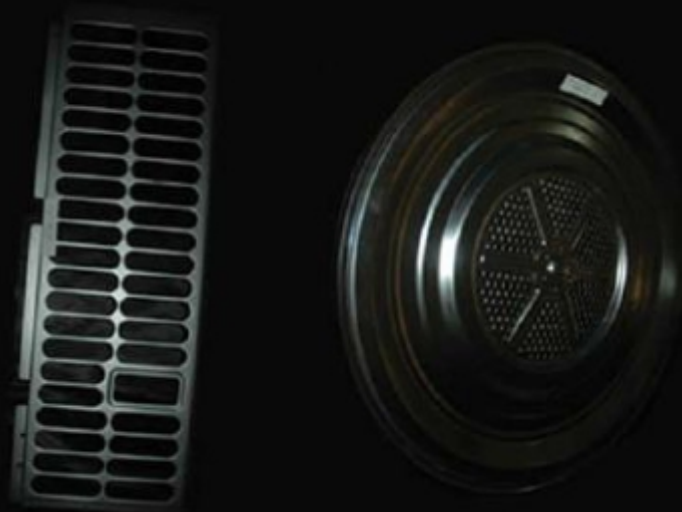

SHEET METAL FORMING

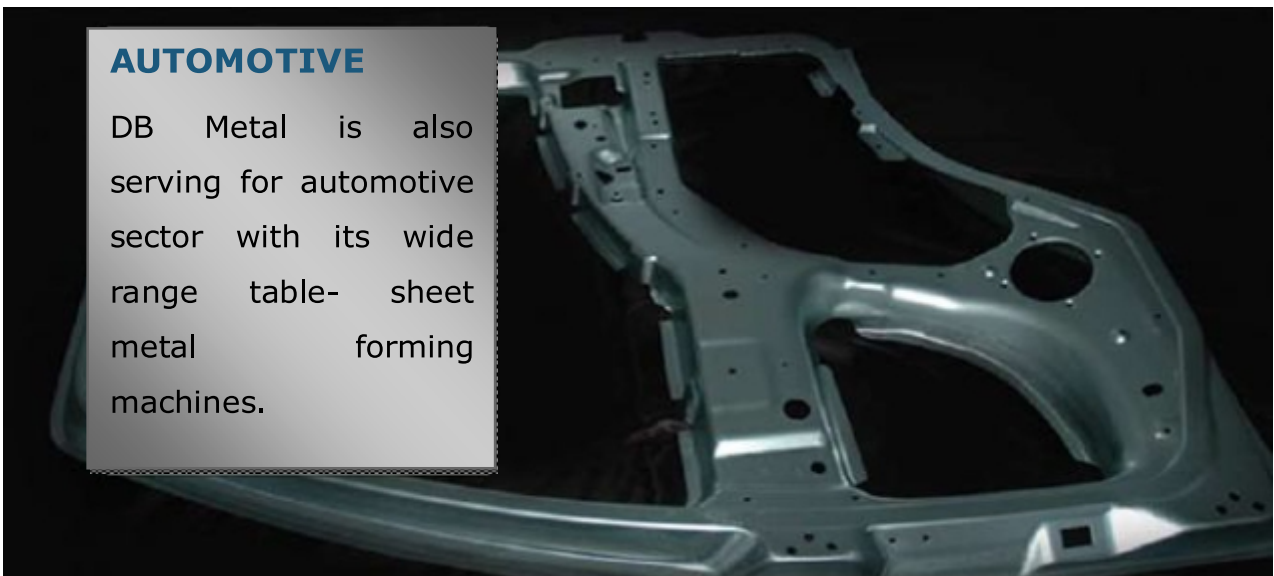

WHITE GOODS

DB Metal produces all kind of metal parts for white goods sector.

AUTOMOTIVE

DB Metal is also serving for automotive sector with its wide range table- sheet metal forming machines.

BUILDING MATERIALS

BUILDING MATERIALS

DB Metal mass produces metal building materials within required dimensions moreover special design materials can be produced.

DB Metal produces Telescopic Props within the required dimensions.

SCAFFOLDS :

- Facade scaffolding ,
- Movable type scaffolding
- Formwork scaffolding
- Multi-purpose scaffoldings for buildings – factories – shipyards..

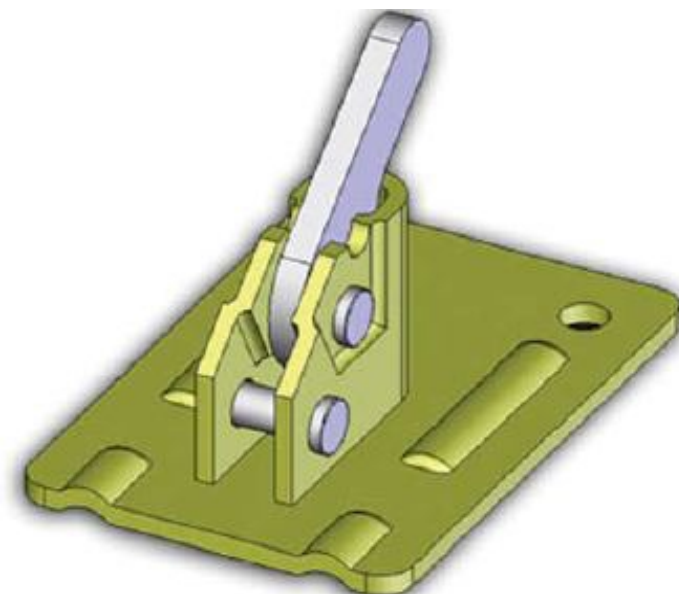

BUILDING MATERIALS

ANCHORAGE :

DB Metal produces specific orders of anchorage which involves the location , style and strength of connections from the awning or canopy to the building or its foundations.

FORMWORK CLIPS:

The base plate to be 4.00 mm and 3.00 mm galvanized / coated mold Lock. Curled ends of the vertical reinforcement steel bar to hold mutual business benefits. Used to break the crowning height. According to 1997 Earthquake Regulations ; each load-bearing has to have 4 pcs/m² formwork clips.

EQUIPMENT POOL

OTHER PRODUCTS

DB Metal has capability of serial and special production for all kind of metal parts.

Hydraulic Press Machines

- | | |
|------------------------------|---------------|
| • 300 Tonnes Hydraulic Press | 1.500 x 1.040 |
| • 300 Tonnes Hydraulic Press | 1.350 x 1.200 |
| • 225 Tonnes Hydraulic Press | 1.350 x 1.200 |
| • 400 Tonnes Hydraulic Press | 2.000 x 1.500 |
| • 400 Tonnes Hydraulic Press | 2.000 x 1.500 |
| • 250 Tonnes Hydraulic Press | 900 x 1.000 |
| • 250 Tonnes Hydraulic Press | 900 x 1.000 |

Eccentric Press Machines

- | | |
|------------------------------|-------------|
| • 250 Tonnes Eccentric Press | 1.300 x 900 |
| • 250 Tonnes Eccentric Press | 1.300 x 900 |
| • 200 Tonnes Eccentric Press | 700 x 1.100 |
| • 85 Tonnes Eccentric Press | |
| • 65 Tonnes Eccentric Press | |

DB Metal has wide range equipment pool ;you can contact with us for further information.

EQUIPMENT POOL

- Decoilers – Straighteners – Servo feeders 800mm width–0,5-2mm thickness
- Decoilers – Straighteners – Servo feeders 600mm width–0,5-2mm thickness
- Hydraulic Shear 3000mm x 4mm
- Eccentric Shear 3000mm x 4mm
- Press Brake 80 ton
- Hydraulic Plate Roll Machine 12mm bending capacity

WELDING

WELDING

DB Metal major on gas shielded welding , submerged arc welding , electric welding with its experienced staff .

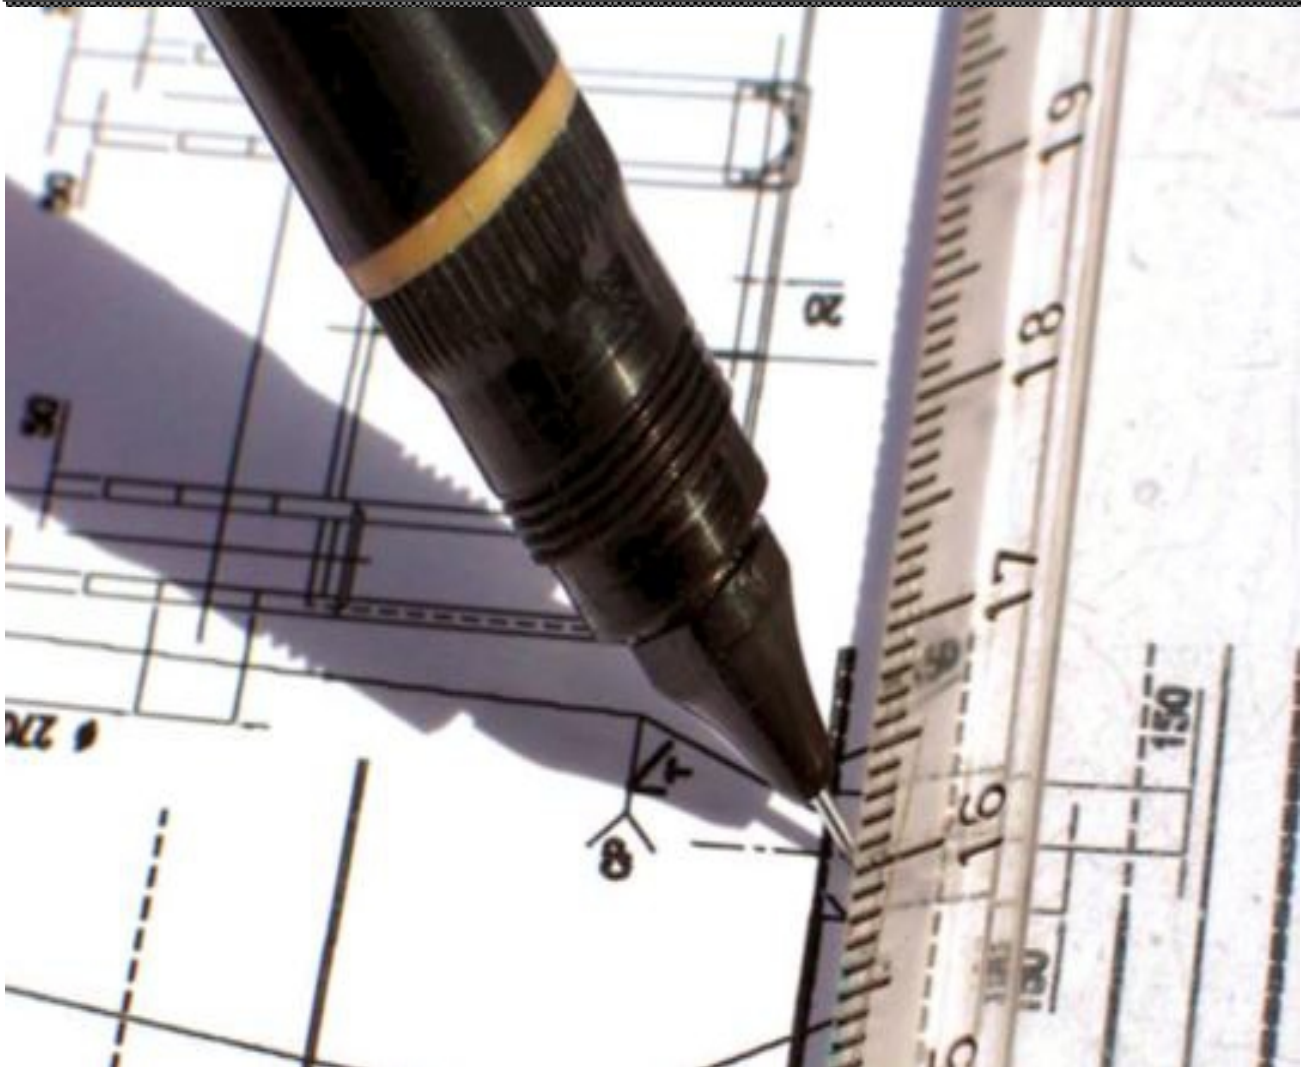

BOILER

DB Metal produces specific boiler according to customer requirements in heating sector .

SPECIAL PRODUCTION

SPECIAL PRODUCTION

DB Metal is supporting its customers about sheet metal forming and welding areas with experienced technical staff.

Certificate of Registration

This is to certify that :

DB METAL KAYNAK SAN. VE TIC. LTD. STI

YENI GEBZE SILE OTOYOLU TEPEOREN UST GECITI MEVKII ORGANIZE CAD. No: 15 OZYURT TESISLERI

BALCIK GEBZE KOCAELI

Has been assessed by International Certification Registrar Ltd., in respect of their
Quality Management Systems and found to comply with

ISO 9001:2008

Approval is hereby granted for registration providing the rules and conditions
relating to certification are observed at all times.

Certification Scope :

Production and sales of
spare parts made of metal for automotive, white goods and air-conditioning industries

Certificate Issue Date : 04th January 2013

Certificate No. : Q139713

Expiration Date : 03rd January 2016

The Seal of ICR Limited was here to affixed
in the presence of :

President
